

Parking subscriptions 2023

Residents' subscription

Residents can apply for a residents' subscription, allowing free unlimited parking in certain zones. We would like to sum up the conditions.

Who does this subscription apply to?

This subscription applies to residents, owners of a residential unit without domicile, owners of a holiday home where no domiciliation is possible.

What does it involve?

- exemption from paid parking in the orange and green zones
- unlimited parking time in the blue zone
- paid parking in the red zone
- a maximum of 4 subscriptions per address

Prices

The first subscription is free, the second costs € 40 and the third and fourth are € 120 each. Subscriptions are payable annually and an administrative fee of € 40 will be charged for any change to the current subscription.

How to apply?

From 2 May 2023, you can apply for your subscription from parking company Indigo/Streeteo. You can do this through Streeteo's website or in person in their office.

When applying for a subscription, you must submit **the following documents**:

- identity card in the applicant's name
- the municipal tax assessment notice for owners of a residential unit without domicile and owners of a holiday home where no domiciliation is possible
- registration certificate part 1 in the applicant/owner's name and address or home address
- if company car or leased car: certificate from employer or leasing company that the applicant has a company car or leased car
